

MICROBAND APPLICATOR KIT TO FIT REEKIE POTATO PLANTER 3 - ROW * LANDWHEEL DRIVEN

These kits have been designed to allow chemical microgranules to be applied at the time of planting into the seed furrow.

The chemical is delivered from a Microband rectangular hopper unit, which is driven via a direct drive taken from the planter drive system, with a chain and sprocket variable drive to alter chemical application rates.

A complete kit is supplied and ordered as follows in two parts :-

1/ 640189 REEKIE POTATO PLANTER 3-ROW MICROBAND DRIVE & MOUNTING KIT FOR A STANDARD LANDWHEEL DRIVEN PLANTER.

2/ Microband 70 Litre 3-outlet hopper unit x 1-off.

* The type required are to be stipulated by the customer, with regard to which type of metering rotor is required to apply a particular chemical / application rate. This information is supplied by the chemical manufacturer / distributor.

*** If the type of rotor is not stipulated at the time of ordering the hopper unit will be supplied with 1 x 8mm rotor fitted per outlet as follows. Note all are reverse rotation hopper units.**

Part No. **760197** Microband 70L 3 O.T. rectangular hopper unit fitted 1 x 8mm rotor per outlet

Other options available :-

- 760452 Microband 70L 3 O.T. rectangular hopper unit fitted 1 x 3mm rotor per outlet
- 760453 Microband 70L 3 O.T. rectangular hopper unit fitted 1 x 3mm rotor per outlet * For abrasives
- 760454 Microband 70L 3 O.T. rectangular hopper unit fitted 1 x 5mm rotor per outlet
- 760455 Microband 70L 3 O.T. rectangular hopper unit fitted 2 x 3mm rotor per outlet * For abrasives
- 760456 Microband 70L 3 O.T. rectangular hopper unit fitted 1 x 6mm rotor per outlet * For abrasives
- 760457 Microband 70L 3 O.T. rectangular hopper unit fitted 2 x 5mm rotor per outlet
- 760458 Microband 70L 3 O.T. rectangular hopper unit fitted 2 x 6mm rotor per outlet * For abrasives
- 760459 Microband 70L 3 O.T. rectangular hopper unit fitted 1 x 14mm rotor per outlet
- 760460 Microband 70L 3 O.T. rectangular hopper unit fitted 1 x 15mm rotor per outlet
